SIGNCOAMERICA

Code allowance is:

- 1 sign every 500' – 12' OAH – max sign width is 24' and height 10' - max square footage is 80.
- Setback is minimum 5' from property lines.
- The sign base and sign structure for a monument sign shall be brick, stone, or masonry material matching the front facade of the building.
- The sign face shall be framed by a minimum of six inches of brick, stone, or masonry material matching the front facade of the building.
- The monument base shall be a maximum of two feet in height and shall be included in the calculation of total height.
- For multi-tenant developments, the development name, if included as an integral part of the monument structure (i.e., not a separate panel), will not count toward the maximum sign face area as long as the area of the development name does not exceed 20 percent of the allowable maximum sign face area.

PAINT COLORS

- ☐ P1: Off White - Exact color to be provided by sales – with stucco finish
- ☒ P2: MP 80489 – with stucco finish
- ☐ P3: SW 2835 Craftsman Brown – with stucco finish

Approved by: _____

M1 Masonry – Exact specification to be provided to Signco America

M2 Masonry – Modular Brick – painted P3

EXHIBIT C
SIGN CRITERIA

SECTION I.
The advertising or informative content of all signs shall be limited to letters designating the store name and/or type of store (any such designation of the store type shall be by general descriptive terms and shall not include any specifications of the merchandise offered for sale therein or the services rendered therein) only and shall contain no advertising devices, slogans, symbols or marks (other than the store name and/or type of store). Crests and corporate shield designs are not permitted.

SECTION II.
Landlord will provide an area on the sign band or canopy of appropriate size and location to Tenant's storefront. After having first obtained Landlord's written approval of Tenant's sign design, prepared in accordance with this criteria, Tenant will properly install a sign face in the sign band. The letter style on all signs shall be shown on drawings submitted to Landlord for approval.

SECTION III.
The character, design, color and layout of all signs shall be subject to Landlord's prior approval.

SECTION IV.
Excepting the signs specified in Section VI (d) and (e) of this exhibit, no occupant shall install more than one (1) sign.

SECTION V.
All signs shall be in accordance with the following requirements:

- (a) The sign lettering or any part thereof shall be located within the physical limits of the storefront of the Demised Premises and must remain at least eighteen (18") inches away from the lease lines where they meet the sign band.
- (b) Except for those signs mounted on the mansards with Landlord's written approval, no sign or any part thereof shall be located on the roof of the Demised Premises.
- (c) Sign style and lettering must be approved by Landlord before shop drawings are made once initial approval is given by Landlord. Tenant shall then submit shop drawings for final Landlord approval, showing the sizes of all letters and spacing, type of material, color and dimensions in relation to leasable area.
- (d) No sign will be placed in final position without the written approval of Landlord. The general standard is that the top plane of the sign shall be in line with the other Tenant signage.
- (e) Tenant's sign shall be individually-lettered, channel-lighted, and mounted on a raceway.
- (f) All signs shall be fabricated and installed in compliance with all applicable codes.

SECTION VI.
The fabrication, installation and operation of all signs shall be subject to the following restrictions:

- (a) All storefront signs must be internally illuminated and regulated by a timer or photo cell.
- (b) No flashing, moving, flickering or blinking illumination shall be permitted.
- (c) No animation, moving lights or floodlight illumination shall be permitted.
- (d) No painted or printed signs, except one (1) non-illuminated, small scale "Signature Sign" or "store hours" sign, which is lettered on the glass portion of the store of an occupant, provided such sign does not exceed three inches (3") in height. Also permitted are small credit card symbols.
- (e) No outrigger signs, except one (1) identification sign located beneath the canopy in a location to be designated by Landlord, and in accordance with Landlord's criteria for undercanopy signs. Tenant must submit drawing of said sign to Landlord and obtain Landlord's written approval prior to installation of this, or any sign.
- (f) No moving signs, rooftop signs, parapet signs, exposed neon or pylon signs.

SECTION VII.
At such time as Landlord prepares a new sign design plan for the Shopping Center, Tenant will remove its existing sign and install a new one to comply with such new plan at Tenant's sole expense.

If Landlord undertakes a shopping center renovation that requires removal of Tenant's signs, Tenant shall be responsible for removal and reinstallation of signs. Tenant may be required to update older signage to meet new sign criteria at no cost to Landlord.

SIGN CRITERIA

The purpose of this Sign Criteria is to create a graphic environment that is individual and distinctive in identity for the Tenant and compatible with other signs in the center. The total concept should give an impression of quality, professionalism and install a good business image.

The following specifications are to be used for the design of your sign; however, in all cases, final written approval must be obtained from the Lessor prior to the manufacturing or installation of any signage. Lessor shall make final and controlling determinations concerning any questions of this sign policy.

NOTICE: Written approval and conformation with these specifications does not imply conformance with local City or County sign ordinances.

- A. REQUIRED SIGNS
 - 1. Tenant shall erect one (1) sign which shall be attached directly to the building fascia as described hereinafter. Where the Leased Premises is an endcap, the Tenant may install a fascia sign on front and side elevations.
- B. TYPE OF SIGN
 - 1. Internally illuminated acrylic faced, individual to the building. Mounting hardware shall be non-corrosive and neatly concealed from public view.
- C. SIZE OF SIGN
 - 1. Depth – 5”- 7”
 - 2. Height: Single Row – not to exceed 36”; Multiple Rows – not to exceed 48” in total height including spaces between rows; Minimum letter size – 12”.
 - 3. The overall length or spread of letters cannot exceed 80% of the total linear storefront measurement of the leased space. Example: 60’ frontage, maximum size – 48’0”.
 - 4.
- D. TYPE OF SIGN
 - 1. Any style (block or script) may be used. Upper and lower-case letters allowed.
 - 2. Subject to approval Tenant may use pictorial logos and symbols. They must be proportionate to height of fascia and sign.
 - 3. Box type signs not permitted
- E. COLOR OF LETTERS
 - 1. Faces to be 3/16” acrylic – colors to be approved on case by case.
 - 2. #313 Dk. Bronze 1” trim and returns
- F. COLOR OF RACEWAYS: Painted to match the building (provide paint color)
- G. CONSTRUCTION OF LETTERS

Miramar S/C
SIGN CRITERIA

These design guidelines have been created to keep
the uniformity and overall design of the center

- BUILDING SIGNS**
FACE-LIT CHANNEL LETTERS
TENANT REQUIREMENTS
- Signs must comply with allowances according to City of Seabrook Permitting Department.
 - Signs must be fabricated and installed by a licensed manufacturer.
 - No sign shall be installed without first obtaining Landlord’s written approval of signage plans conforming to the following criteria. Submit (2) copies of drawings to Landlord for approval.
- DESIGN REQUIREMENTS**
- Sign must include tenant’s name. Logos are allowed. Subject to Landlord’s approval
 - Type of Sign: FACE-LIT – Raceway mounted & Flush mount
 - Channel Letter Fabrication:
 - o Faces to be 3/16” acrylic
 - o Returns to be .040 aluminum painted dk. bronze
 - o 1” Jewelite trim - bronze
 - o Letter depth to be 5”
 - o Backs to be .063 aluminum
 - o Internal illumination to be 3000K bright white LEDs
 - Sign Height Limitations:
 - o Single Line: No letter shall be less than 12” nor more than 48”
 - o Double Line: No letter shall be less than 12” and overall height nor more than 48 ”
 - o Maximum span of the tenant sign shall not exceed 80% of the store frontage
 - All type must be centered horizontally in the sign band portion corresponding to each tenant. Each line (or double line) must also be centered vertically within the sign band area designated by Landlord. Landlord reserves the right to designate the horizontal location of tenant’s signage in a manner so as not to be centered in front of the tenant’s demised premises.
- CONSTRUCTION REQUIREMENTS**
- All signs, bolts, fastenings, and clips shall be aluminum.
 - All penetrations of the building structure required for sign installation shall be neatly sealed in a watertight condition. All mounting hardware shall be non-corrosive and neatly concealed from public view.
 - Tenant shall be fully responsible for the actions of and payments to tenant’s sign contractor.
- PYLON SIGNS**
TENANT REQUIREMENTS
- Signs must comply with allowances according to City of Seabrook Permitting Department.
 - Signs must be fabricated and installed by a licensed manufacturer.
 - No sign shall be installed without first obtaining Landlord’s written approval of signage plans conforming to the following criteria. Submit (2) copies of drawings to Landlord for approval.
 - Tenant shall be fully responsible for the actions of and payments to tenant’s sign contractor.
- DESIGN and CONSTRUCTION REQUIREMENTS**
- Sign must include tenant’s name AND ANY LOGOS are allowed.
 - *All graphics/lettering to be translucent vinyl and must be approved by Landlord.*
 - *Type of Sign: Internally illuminated double-sided pylon sign with tenant panels*
